

Survey of Cpanel on behalf of the Catholic Herald (May 2009)

Adverts in the broadcast media (like the BBC, ITV and Channel Four) providing information about how to have an abortion would dramatically increase the number of abortions in this country.

Prepared by ComRes. Fieldwork conducted online between 22nd April - 1st May 2009

Survey of Cpanel on behalf of the Catholic Herald (May 2009)

Adverts in the broadcast mainstream media (like the BBC, ITV and Channel Four) providing information about how to have an abortion would encourage people to be more responsible in deciding whether or not to have an abortion.
