	I would have a more favourable opinion of the Liberal Democrats if Nick Clegg was not their leader	British people should be free to live and work anywhere in the EU	People from EU countries should be free to live and work in the UK	As long as they pay taxes in Britain, people from other countries should be able to access public services such as the NHS for free	Britain is too generous to immigrants	Immigrants in Britain should only receive benefits if they have a record of living and working here	People from other countries that live in Britain should not be allowed to receive state benefits, even if they work here	Having people from all over the world living in Britain makes it a more interesting place to live
