## METHODOLOGY

ComRes interviewed 2,034 GB adults online on May 9<sup>th</sup> 2019. Data were weighted to be demographically representative of all GB adults by age, gender, region and social grade. Voting intention questions were also weighted by past vote recall and likelihood to vote and all other questions also weighted by 2016 EU Referendum results. ComRes is a member of the British Polling Council and abides by its rules.
