METHODOLOGY

ComRes surveyed 2,009 British adults online between 4th and 6th September 2019. Data were weighted to be demographically representative of all GB adults. All questions were weighted by 2017 past vote recall and EU Referendum past vote. Voting Intention is also weighted by likelihood to vote. ComRes is a member of the British Polling Council and abides by its rules.

		Even if the Irish backstop was removed from the current Withdrawal Agreement, it still would not represent what Leave voters wanted when they voted to Leave in 2016	It is better for the UK to leave with no deal than for the UK to accept a bad deal from the EU	It is better for the UK to accept a bad deal by the EU than to leave with no deal	It is better for the UK to leave with no deal than for Brexit to be extended beyond 31st October 2019	It is better for the Brexit deadline to be extended beyond 31st October 2019 than for the UK to leave without a deal	If Parliament is unable to decide on Brexit it would be better to have a snap General Election	If the Government cannot get a Withdrawal Agreement through Parliament, they should go back to the EU and ask for an extension to the UK's leaving date	If the Government cannot get a Withdrawal Agreement through Parliament, they should leave the EU without a Withdrawal Agreement (i.e. without a deal)	Any Conservative MP that votes against the Government in a vote of no confidence should have their party whip removed and they should be prevented from standing for the...	If Labour leader Jeremy Corbyn calls a vote of no- confidence in the Government and Boris Johnson wins that vote, Jeremy Corbyn should have to resign as Labour leader
